

## **What Benefits Does Fortizel® Have In The Work Place?**

Fortizel® can completely remove the negative effects of corporate life without having to incur a huge price. A Price Waterhouse Coopers study has found that by 2015, if the investment in precautionary health-related measures is not increased, global economic output will be reduced by 3% due to chronic diseases.

Providing good working conditions means providing healthy surroundings. Promoting healthy practices by implementing safety measures, providing a socially acceptable work climate, and offering employees resources for addiction (e.g. nicotine or alcohol). Instilling the habit of sufficient exercise and superior health are among the necessities for good working conditions.

### **Entrepreneurs must recognize the potential Fortizel® offers**

It is estimated that only 5% of the working population know what Fortizel® is.

Every entrepreneur should inform their employees about the positive benefits of Fortizel®, a food supplement. It optimizes performance, increases well-being and reduces sickness-related employee absences. Fact: For every Euro/US Dollar invested into health prevention, entrepreneurs get three in return.

### **Fortizel® improves stability of top performers when taken properly and consistently**

People who take Fortizel® regularly are sick less often!

Many employees are subjected to very high levels of stress and pressure in their professions. It may result in psychosomatic disorders. You can get the most out of top performers by keeping them armed with Fortizel®, reducing their susceptibility to critical illnesses. Re-energize and “bounce back” with Fortizel®!

### **An important advice for these leaders**

Entrepreneurs should lead by example, addressing their own health and well-being. As a leader, you are called upon to inspire and motivate your team both personally and professionally.

A highly qualified and effective worker is the most valued asset of a competitive company. Fortizel® is like a building block to keep the health of management and staff in perfect condition.
