

Get Back to Homeostasis - Natural Level of Life Quality

Our contemporary life is full of stress and anxiety, due to which, we fall ill more than we should. Our lives are getting gradually more mechanical; that is, we do things automatically without thought resulting in poor health choices. When our bodies get out of balance by disease or disorder, we are robbed of our ability to enjoy life and those activities that once brought pleasure, seem overwhelming and daunting.

So, should we get used to being ill?-fortunately, NO. We can regain the natural level of life quality if we seek to get it. Fortizel[®], a revolutionary supplement, returns to us our all the necessary natural energy to sustain a vital, energetic and healthful life.

What is Fortizel[®]?

Fortizel[®] is a highly formulated supplement containing Augmentsodine[®] Colostrum Extract. Colostrum Extract is a very powerful substance that contains amazing nutrients which are responsible for providing immunity to newborn animals and babies. This however, is applicable to people of all ages. Colostrum Extract, in fact, is a groundbreaking substance which is incredibly important to all mammals.

Fortizel[®] is the one and only international product that contains Augmentsodine[®]; a Colostrum extract 10-20 times stronger than conventional bovine Colostrum. Most manufacturers of Colostrum products use bovine Colostrum. Fortizel[®] uses this more potent, patented formula to enhance the benefits.

What Are The Main Functions Of Colostrum Extract?

Colostrum Extract regulates the human immune system. When the immune system gets very weak, Fortizel[®] strengthens it. When the immune system is hyperactive causing allergies and other autoimmune sicknesses (such as rheumatism, multiple sclerosis, eczema etc.), Fortizel[®] helps normalize it.

Colostrum Extract also contains a lot of natural growth factors. This ensures a quick recovery and fast normalization of the cell function occurs. Fortizel[®] improves the immune function, the health of the gastro-intestinal tract, the efficiency of the neuro-endocrine system and the perfect functioning of the muscles.

Fortizel[®] is a gift to mankind. It brings back the natural quality of life by re-energizing our system and motivating our bodies to get active. Fortizel[®] provides the vitality and immunity required to sustain a sense of wellbeing and enjoy a healthful lifestyle.
